Puzzle #161 — October 2014 "House of Windsor"

Instructions: Guess the words defined by the cryptic clues (answers vary in length from four to eleven letters, and three are capitalized) then enter them in the grid one after another in the same order as their clues, starting in the upper left corner. Across words that don't end at the right continue on the next row, and down words that don't end at the bottom continue in the next column. Nine across words and nine down words won't fit in the grid unless one of their letters is omitted. Those eighteen letters, taken in order as they occur in across and down words, spell a four-word phrase related to the mystery Thanks to Kevin Wald for testentry. solving and editing this puzzle.
